1 Q Did I understand she was jealous of your
2 relationship with Zirk?
3 A I believe so.
4 Q Who was the Roth referred to here?
5 A I believe his name was Kyle, yes, and Roth
6 Capital is three minutes from my house. And I had met
7 Kyle, and Kyle was one of their mining people. And we
8 were showing Kyle the project and asking them to invest
9 in it.
10 Q Did they?
11 A No.
12 Q Did they say why not?
13 A No.
14 Q So did you have any second thoughts after
15 showing your presentation to a mining expert and having
16 them, basically, giving you the back of the hand?
17 A No, I assume that because it was 7,000 miles
18 away and in Chile and not easy for them to -- they went
19 there once, but not easy for them to have a
20 relationship with a Chilean company that they passed
21 for a different deal.
22 Q Who is Mr. Todd Sluzas, who is listed on the
23 e-mail above that?
24 A Oh, Todd Sluzas was Bill Farley's right-hand
25 man, and Bill Farley was an investor in Casablanca

Page 286

1 Mining, and he became -- I believe he became the CEO of
2 Lustros or Sulfatos, Chile.
3 Q He was a big investor in Casablanca; right?
4 A I believe so.
5 Q Do you recall what his dollar investment was?
6 A I believe it was a million, or 1.2 million.
7 Q What's the worth of that investment now?
8 A Say again?
9 Q What's the worth of that million dollar
10 investment now?
11 A Nothing, zero.
12 Q Have you ever made presentations Casablanca
13 at public conferences?
14 A Public conferences? I remember doing one.
15 Q Where?
16 A Don't remember. I believe I had to travel
17 there, though. I don't remember where it was. Oh, you
18 know what it was? It was at a Ruth Chris Steakhouse in
19 New York, I believe it was.
20 Q Do you often going to investor meetings at
21 Ruth Chris in New York?
22 A Never.
23 Q Let me show you Something. Maybe this could
24 refresh your recollection.
25 A Oh, yeah, the Merriman Capital, yeah.

1 MR. FISCHER: Take a look at this. This has
2 been marked as Exhibit 23.
3 (SEC Exhibit No. 23 was marked for
4 identification.)
5 THE WITNESS: Okay.
6 BY MR. FISCHER:
7 Q Is this the presentation you were referring
8 to?
9 A No. I do not believe so.
10 Q Okay. What -- this appears to be a
11 description of various meeting at what's been
12 identified here as the Merriman, capital investor
13 Summit 2012?
14 A Yeah.
15 Q And there's a schedule for Casablanca Mining
16 and it appears to indicate a list of meetings from 8:00
17 a.m. through 3:00 p.m. between you and various people.
18 A Okay.
19 Q Do you recall going to this?
20 A I did. I was in, like, a hotel room, I
21 believe it was. And I believe -- I only remember two
22 or three people showing up to the hotel room.
23 Q For two to three per meeting slot or --
24 A No, in total.
25 Q Who?

Page 288

1 A Liolios group I met with. And the reason why
2 is they have an office next to Roth Capital in Newport
3 Beach.
4 Q Okay.
5 A So somehow they became because they knew I
6 was local in Newport Beach.
7 Q Okay.
8 A And I don't remember which of anybody else.
9 Q And who at Liolios attended?
10 A I don't remember their names. I see them
11 there, but I don't remember if this was -- if it was
12 one or both of them or any of them. But I -- I
13 remember meeting with Liolios Group.
14 Q But you can't remember sitting here today
15 which specific individual --
16 A I cannot.
17 Q And do you recall what you said to them at
18 this meeting?
19 A I would have presented, basically, my
20 overview on the mining properties in Chile.
21 Q Did you have any discussions with Zirk after
22 this about the fact that you got stood up by a whole
23 bunch of people?
24 A I believe I told him I only ended up meeting
25 with two people, maybe three, out of list, and it was a
